**FreeStar Financial Credit Union offers scholarships**

**CLINTON TOWNSHIP, Mich.** – FreeStar Financial Credit Union is offering high school seniors an opportunity to qualify for four \$1,000 scholarships:

- **Military Honor Scholarship (2 available)**

We appreciate the men and women who defend our country every day. To honor the foundation and beginning of our credit union, the Military Honor Scholarship is awarded to a member of our credit union whose parent is active military, reserve or veterans.

- **Community Action Scholarship (2 available)**

As a credit union founded on the principles of “people helping people” and serving the community, we want to help provide educational assistance to members who are active volunteers in the community. Our young members who take the time to assist the community and non-profit, charitable organizations are eligible for this financial award.

To qualify, students must:

- be members of the credit union by March 31 and be in good standing;
- have a GPA of 3.0 or better;
- show acceptance to a qualified educational institution (recognized by the US Department of Treasury as eligible for government financial loans); and
- provide proof of military affiliation if applying for the Military Honor Scholarship.

Online applications are available at [www.freestarfinancial.com](http://www.freestarfinancial.com) and are due by March 31. For more information, contact Paula Rose, vice president of marketing, at 586-466-7806.
